

WE NEED WIFFLEBALL PLAYERS!

Come play us in our insane version of WIFFLEBALL! Anyone can play this “no-outs” game as long as you can hold a bat and pick-up a ball. This fun loving group of adults with developmental disabilities will have you laughing as you get some exercise. COME JOIN US! Volunteer a group of pals or make it a family event because this is a great game for the whole family from 5yrs old and up. Absolutely no skill needed!!

The Perfect Wiffleball Aide or Volunteer:

1. Play the game.
2. Smile
3. Aides who spend a lot of time engaged with the clients, and who seize the moment and take initiative.
4. *For example*, this would look like: collecting equipment without being asked, sorting uniform jerseys, helping clients suit up, engaging in small talk and banter with the clients, cheering for them and encouraging them, *being present 100% of the time*. The aides who do these things are the ones who land the assignments (Volunteer slot for wiffleball or Worldbeat Dance).
5. NEVER use your cellphone while in the gym.
6. *We are looking for aides (and their parents) who are NOT spending time texting or talking to pals while in the outfield.*

Where: Henry C. Hall Middle School, The Gym, 200 Doherty Drive, Larkspur (Sometimes they meet in the Recreation Department but if it's your 1st night just wait for them to arrive in the gym from 6:15pm – 6:20pm).
